Set above lush, terraced gardens and a grand brick stairway- the prestigious City Club of Wilmington looks out over her river community. An antebellum porch invites passersby to a home where classic Southern style meets modern social sophistication. The landmark – built in 1841 – continues to open its doors to patrons, celebrities, bridal parties, business leaders, and all who gravitate towards her charm.

Inside the residence, heart-of-pine and Greek-revival craftsmanship meld with modern-day amenities. Whether sipping on a gin and tonic at the bar, indulging in refined cuisine at our restaurant, or settling in a rocking chair on the front porch, City Club guests know they've crossed the threshold into a new level of luxury.

During its more than 150-year span, the Club has served as the Port City's hub for entertainment and networking. Newcomers and long-time residents alike continue to develop meaningful relationships within the home's historic walls. The mansion's sprawling layout not only includes NUMBER OF SQUARE FEET of social space, but also houses six lavish suites available to members and guests.
